

COMMUNITY ACTION

Your Trusted Transportation
Provider

Whether it's going to a doctor's appointment, work, the grocery, educational program or just around town, Kentucky communities have access to Community Action Kentucky's member agencies' transportation services. With a focus on health, education and work, Community Action Kentucky member agencies provide affordable and efficient transportation services to a variety of citizens and locations.

We take pride in providing all passengers safe and reliable transportation services to get them where they need to be. Contact us today to learn more about our transportation network!
