WE ARE COMMUNITY

ACTION KENTUCKY.

Community Action agencies across Kentucky serve as a lifeline to hundreds of thousands of people each and every year, working to empower individuals and families across the Commonwealth as they seek to build a better life.

For more than half of a century, our 23-member agencies have advocated on behalf of the disadvantaged, fought to end poverty and celebrated the accomplishments of the people we serve.

Through strategic partnerships and the steadfast work of thousands of volunteers and dedicated Community Action team members, we are able to offer a variety of life-enhancing programs and services to those in need.

Whether it's improving one's job skills, creating a sound financial plan, pursuing an educational goal, enjoying a hot, nutritious meal, making energy-saving home improvements, securing transportation, or removing

any other barrier that allows our citizens to improve their economic standing, we are there.

But that's just the tip of the iceberg. With outreach offices in every Kentucky county and decisions made at the local level, Community Action Kentucky members offer a plethora of customized programs and services tailored to meet the individual needs of each of the communities it serves.

We know that by providing a hand up to our fellow Kentuckians, we are not only strengthening families and building better communities, we are investing in Kentucky's future.
